### **BUCKLE DOWN PUBLISHING INTRODUCES NEW FCAT PREP BOOKS FOR FLORIDA**

Iowa City, IA, June 1, 2006 — Buckle Down Publishing, a division of Hights Cross Communication's Triumph Learning unit, has introduced new editions of its test-preparation line developed exclusively for the Florida Comprehensive Assessment Test (FCAT). The new *Buckle Down Florida FCAT* series is 100% aligned with the Sunshine State Standards and provides students with FCAT-formatted practice.

The complete line of workbooks and practice tests features comprehensive instruction and review in all content areas tested by the FCAT — Reading, Writing, Math, and Science.

Highlights of the new *Buckle Down Florida FCAT* editions include:

- “FCAT Practice” sections at the end of each lesson, providing students with practice items that match the FCAT format and the appearance.
- Regionalized content, featuring references to Florida people, places, and culture.
- Two external practice test forms, updated to match the latest FCAT blueprint in format, style, and item types.

“We’re proud to answer the call for test prep in the state of Florida, and provide materials tailored to the FCAT,” said Dr. Tom Emrick, President of Buckle Down Publishing. “We encourage feedback from our users, and we are excited about the improvements suggested by Florida educators that were integrated into these new editions.”

The workbooks and practice tests are developed exclusively for classroom review in preparation for the Florida assessment program.
