FOR IMMEDIATE RELEASE

RECORDED BOOKS OFFERS “SHAKESPEARE APPRECIATED” – UNABRIDGED AUDIO PRODUCTIONS

Prince Frederick, MD, April 11, 2007—Recorded Books, the world’s premiere publisher of unabridged audiobooks since 1979 and a Hights Cross Communications company, said today that it has introduced “Shakespeare Appreciated,” a series of full-cast, unabridged audio performances of Shakespeare plays.

These audio productions, originally produced in the United Kingdom in association with SmartPass, feature accomplished actors from the Royal Shakespeare Company, the Royal National Theatre, and the BBC and commentary by experts in English literature and history. The commentary has been provided by Shakespeare experts and experienced teachers of English and history. These Shakespeare audio productions, which are relevant for both Shakespeare scholars as well as novice audiences, are the perfect way to enter the world of Shakespeare and be guided through his age.

Audio recordings of “Macbeth,” “Romeo and Juliet,” Twelfth Night,” “Othello,” and Henry V” are available immediately in CD format; the audio production of “King Lear” will be available later in 2007. Each CD contains both a recording of the play in full without commentary and a recording of the play with commentary.

About Recorded Books:

Recorded Books, a Hights Cross Communications company, produces and distributes unabridged audiobooks and other audio products to public and university libraries and schools, in cassette, CD, and downloadable formats. Over 8,000 titles are available for adults, children, and young adults in English and Spanish languages narrated by professional, award-winning actors. Recorded Books also distributes music, educational lectures, independent films, and nonfiction films on DVD. Packaging is designed for high circulation. One-year warranty, cataloging, processing, and free marc records are available. For more information, visit www.recordedbooks.com.

About Hights Cross Communications:

Safe Harbor Statement: This press release contains forward-looking statements. In some cases, you can identify forward-looking statements by terms such as “may,” “will,” “should,” “could,” “would,” “expect,” “plan,” “anticipate,” “believe,” “potential,” and similar expressions intended to identify forward-looking statements. These statements reflect our current views with respect to future events and are based on assumptions and subject to risks and uncertainties. These risks, uncertainties, and other factors may cause our actual results, performances, or achievements to be materially different from those expressed or implied by our forward-looking statements. Factors that may cause our actual results to differ materially from our forward-looking statements include, among others, changes in external market factors, changes in our business or growth strategy, or an inability to execute our strategy due to changes in our industry or the economy generally, the emergence of new or growing competitors and various other competitive factors. In light of these risks and uncertainties, there can be no assurance that the events and circumstances described in forward-looking statements contained in this press release will in fact occur. You should read this press release completely and with the understanding that our actual results may be materially different from what we expect. We will not update these forward-looking statements, even though our situation may change in the future. We qualify all of our forward-looking statements by these cautionary statements.
