FOR IMMEDIATE RELEASE

**TRIUMPH LEARNING NAMES BILL SCROGGIE EXECUTIVE
VICE PRESIDENT OF PRODUCT DEVELOPMENT**

New York, NY, May 23, 2005 – Triumph Learning, a leading publisher of supplementary educational texts and software and a Hights Cross Communications company, has named Bill Scroggie Executive Vice President of Product Development. Scroggie reports to Kevin McAiley, Triumph Learning’s President and CEO.

Scroggie joins Triumph Learning from Mazer Corporation where he spent eight years. Most recently, Scroggie was Director of Operations for Mazer’s Creative Services division, the largest U.S. developer of K-12 educational materials. In that position, he supervised a staff of 150 at Mazer's Dayton, Orlando, and Boston offices. He was responsible for all editorial, creative, and production activity. At Mazer, Scroggie also held previous positions as Director of Creative Services, Editorial Manager, Executive Editor of Reading/Language Arts, and other senior editorial positions. He has also worked in advertising and public relations and has taught college-level English. Scroggie earned an M.A. in English from Indiana University and a B.A. in English from Duke University.

According to Kevin McAiley: “Bill Scroggie brings Triumph enormous experience in running a large, extremely diverse, highly successful product development operation. His experience and talent will directly support Triumph Learning’s aggressive growth plans as we launch a new generation of test-prep products and build on Triumph Learning’s great brand.”

About Triumph Learning, LLC:

Triumph Learning, formerly known as Educational Design, Inc., has a 40-year track record of publishing high-quality K-12 supplemental materials. Triumph Learning is the largest publisher of test preparation materials for state tests, and develops and distributes the renowned *Coach*[™] series for test programs in 25 states as well as for the three major nationally normed tests. Safe Harbor Statement: This press release contains forward-looking statements. In some cases, you can identify forward-looking statements by terms such as “may,” “will,” “should,” “could,” “would,” “expect,” “plan,” “anticipate,” “believe,” “potential” and similar expressions intended to identify forward-looking statements. These statements reflect our current views with respect to future events and are based on assumptions and subject to risks and uncertainties. These risks, uncertainties and other factors may cause our actual results, performances or achievements to be materially different from those expressed or implied by our forward-looking statements. Factors that may cause our actual results to differ materially from our forward-looking statements include, among others, changes in external market factors, changes in our business or growth strategy, or an inability to execute our strategy due to changes in our industry or the economy generally, the emergence of new or growing competitors and various other competitive factors. In light of these risks and uncertainties, there can be no assurance that the events and circumstances described in forward-looking statements contained in this press release will in fact occur. You should read this press release completely and with the understanding that our actual results may be materially different from what we expect. We will not update these forward-looking statements, even though our situation may change in the future. We qualify all of our forward-looking statements by these cautionary statements.
